RESPONSE TO RESTRICTION REQUIREMENT

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

In response to the Notification of Missing Requirements under 35 USC 371 in the subject U.S. patent application, which was mailed to the undersigned on October 21, 2005, and a copy of which is enclosed, there is submitted herewith a translation of the List of Reference Symbols that was not translated in the verified translation of PCT/DE2003/003529, which was published as WO 2004/039591. There is further submitted a translation of the claims that were a part of the published PCT application WO 2004/039591.

11/18/2005 MKR/TPH/00000000 101213 10532866

01 FC:1617 130.00 DA

It is requested that the processing fee of \$130.00 be charged to the deposit account No. 02/24/2006 BCR/TPBEL 00000005 101213 10532866
10-1213 of the undersigned. 01 FC:1618 130.00 DA

The indication in the Notification that the number of claims in the International Application and in the translation is not the same is noted. The Declaration that accompanied the

translation indicated that it was of the German text of the specification and of amended pages 1, 20 and 23 to 25 of PCT/DE 2003/003529 that was published as WO 2004/039591. The published PCT application, WO 2004/039591 contains 35 claims. While the International Application, as originally filed, contained 33 claims, that was not the number of claims in the amended PCT application which was published as WO 2004/039591. That number of claims was 35, the number attached to the verified translation which was requested, in the Preliminary Amendment, to be the specification of the subject U.S. application, as filed. All of those claims were cancelled by the Preliminary Amendment in favor of claims 36-86. The filing fee of the application was calculated based on that number of claims.

Issuance of a Notification of Acceptance and a Filing Receipt, and the forwarding of the application to an examining group is respectfully requested.

Respectfully submitted,

Martin BECKER
Wolfgang Robert Jose FELGENHAUER
Karl Robert SCHAFER
Georg SCHNEIDER
